Ole Dammegård : Coup d'etat in Slowmotion, JFK, John Lennon Princess Di Assassinations

The Opperman Report
Freedomslips.com Studio A
11:00 AM PST 2:00 EST
12/12/2013 Show Description:

OLE DAMMEGÅRD

Light On Conspiracy

Dear Friends, my name is Ole Dammegård, I'm a prize winning author, investigator, former journalist, **etc.** For more than 20 years I have worked hard on exposing some of the biggest conspiracies around the globe, something that has turned out to be a very dangerous task.

I humbly believe that I've now managed to more or less solve [the assassination of the Swedish Prime Minister Olof Palme](#), one of the world's greatest murder mysteries, combining the extensive research done by myself and other heavy weight private researchers like Lars Borgnäs, Sven Anér, Anders Jallai, Gunnar Wall, Anders Leopold, Henry Söderström, and Fritz G. Peterson among others. The result is my book '[Coup d'etat in Slowmotion \(Statskupp i Slowmotion\)](#)', available here in both English and Swedish.

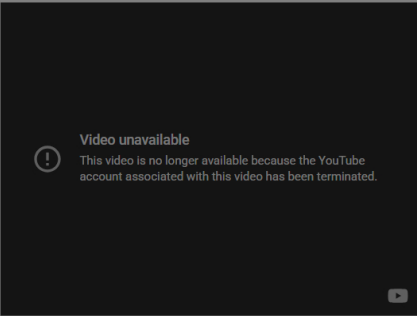

This extensive investigation has also revealed incredible links between big political 'events' like the killing of JFK, John Lennon, Robert Kennedy, Che Guevara, Salvador Allende, and Pablo Neruda as well as the cold-blooded sinking of m/s Estonia, taking almost 1000 innocent lives.

I have made many international radio interviews on stations like Red Ice Creations, Project Camelot, Veritas, Global Peace Radio, and Super Woo Radio which has caused a tidal wave of international interest (more than 60 000 hits from 95 countries on this site) and shows that there is a great awakening going on.

It is important to point out that I'm not here to spread fear. My goal is to prevent the Global Elite from turning this beautiful world into a controlled and horrible place and I am totally dedicated to revealing their agenda, including False Flag-operations all over the world.

***We all deserve so much better.
It's time to stop the madness and
wake up the world with love.***

ORDER
PROPHET OF EVIL: ALEISTER CROWLEY, 9/11 AND THE NEW WORLD

Abomination: Devil Worship and Deception in the West Memphis Three Murders is the second book published by William Ramsey. The book contradicts many of the public opinions about the horrific murders of three children that took place in West Memphis, Arkansas in May of 1993. Abomination also uncovers many new facts about the case. Currently, the book is available on Amazon and Kindle. Published in 2010, William Ramsey's influential first book Prophet of Evil: Aleister Crowley, 9/11 and the New World Order decisively established that an occult influence pervaded the events of September 11th, 2001. The book provides a thorough analysis of the life and writings of Aleister Crowley and clearly shows how his ideas helped shape the 20th century. Currently, the book is available on Amazon and Kindle. Signed copies of both books are available at <http://www.occult911.com>

James M Rothstein NYPD Det Retired

My guest today , James M Rothstein NYPD Det Retired, was just fascinating. We discussed he Son Of Sam investigation, The Franklin Coverup, Boys Town, Manson, Organized crime cases in NYC. NYC politics and blackmail. Just a fascinating guy from NYC 70s NYPD. Great stuff we even got into the French Connection case. Youtube link will be available tomorrow.

One thing he is very passionate about is a law he wrote to combat human trafficking:

TRAFFICKING LAWS

Laws to be passed:

1. Any person, agency, or other entity that interferes, threatens, harasses, impedes, or in any way compromises an investigator, investigation, prosecution, or witness in human

Any compromise an investigator, investigation, prosecution, or witness in human trafficking, child porn, pedophilia, or criminal use of children case is guilty of a felony with a mandatory 5 year prison sentence.

- 2. Any enforcement agency, agent, prosecutor, elected government official, or any other authority that fails to act, with due haste, on human trafficking, pedophilia or the criminal use of children complaint and then doing a complete investigation of the complaint is guilty of a crime. (felony)
- 3. Any person or entity who uses human trafficking, children, child porn, pedophilia, to compromise, extort or cause another person to do an unwilling act is guilty of a felony with a mandatory 25 year to life in prison, no parole, prison sentence.
- 4. Any person or entity who buys, sells, trades, or in any way promotes, enables, or profits from human trafficking, pedophilia, human compromise, extortion, or uses children in a criminal manner is guilty of a felony with a mandatory 25 year to life in prison, no parole, prison sentence.
- 5. The use of electronics, social media, or any other form of communications to facilitate, promote, or further human trafficking, child porn, pedophilia, human compromise, extortion, use of children in a criminal manner is a felony with a mandatory fine of one million dollars per incident and a 10 year prison sentence for all parties involved.

As heinous as these crimes of human trafficking, pedophilia, human compromise and sexual exploitation of children are, an overzealous uninformed law enforcement agency, prosecutor, social worker, or mental health expert, who uses less than scientific investigative methods to conduct a "witch hunt," can wreak havoc on our society and don't provide any real solutions. There must be an Oversight Committee (see Oversight Committee report) to prevent innocent people from becoming another victim and furthering an already heinous crime.

Upon conviction of either/or #3, #4, #5 and affirmation of the Oversight Committee all assets of the perpetrator(s) or entities involved shall be seized and given to the victim(s).

Jim Rothstein
Ret. Det. NYCPD
